

PRESS RELEASE

January 19, 2007

FOR IMMEDIATE RELEASE

**Contact: City of Watertown, Bureau of Code Enforcement
315-785-7735**

The City of Watertown Bureau of Code Enforcement would like to remind City residents to keep their sidewalks clear of snow and ice.

Section 53 of the Watertown City Charter requires all property owners or occupants to clean, keep free and clear from snow and ice all sidewalks abutting property fronting on any street, public square, place or highway of the City.

As winter weather finally arrives and for the sake of all pedestrians, please keep your sidewalks clear in a timely manner.
