TRAFFIC ADVISORY – GOODALE STREET

The City of Watertown's Department of Public Works is in the process of installing fiber optic conduit along the north side of Sterling Street. A portion of the project will require the installation of conduit across Goodale Street. Weather permitting, the installation across Goodale Street will be performed on **Monday, May 5, 2008 at 7:30 a.m.** and is expected to last throughout the day.

Throughout this portion of the project, **Goodale Street will be CLOSED to all through traffic; however, access to the Parking Lots located off Goodale will be maintained.**

Public Works crews will install temporary barricades and signage designating the work zone. Barricades and signage will be maintained throughout the duration of the project. Motorists are encouraged to use alternate routes on this date. If traveling within the area, motorist should exercise extreme caution when encountering work crews and work zones.

The Department of Public Works would like to thank you for your patience and cooperation while this work is completed.
